

STRATEGIC PLAN

OUR VISION

To inspire learning and innovation in children, families and the community

OUR PURPOSE

Through innovation, organisational agility, partnerships and collaboration, we will deliver high quality care and learning opportunities to our children, families and community

WE VALUE

- Collaboration and innovation
- Accepting responsibility for the things we say we will do
- Best practice, mutual respect and strong leadership
- Stepping up to be the best we can be
- Values driven leadership

2017 - 2020

KEY FOCUS AREAS

- Expanding the model of learning in the early years
- Being leaders in the development and implementation of innovative early years and community programs
- Commit to being relevant and responsive to community needs
- Organisational agility to learn, develop and respond to children, families and community

OUR ENABLERS

- An organisational culture driven by values and respect
- Investing in the development of our people
- Investing in the development of our services
- Financial stability
